## **About**

Dr. Sanjay G. Reddy is an Associate Professor of Economics, The New School for Social Research. He is an affiliated Faculty Member of the Politics Department of the New School for Social Research and a research associate of the Initiative for Policy Dialogue at Columbia University. He holds a Ph.D. in Economics from Harvard University, and M. Phil. in social anthropology from the University of Cambridge, and an A.B. in applied mathematics with Physics from Harvard University.

He has held fellowships from the Centre for Ethics, the Center for Population and Development Studies at Harvard University, the Center for Human Values at Princeton University, the *Justitia Amplificata* program of the Goethe University of Frankfurt and Free University of Berlin and, and the Advanced Research Collaborative of the City University of New York.

He is a member of the Independent High-level Team of Advisers to the Economic and Social Council of the United Nations on the longer-term positioning of the UN Development System (in the context of the 2030 Agenda for Sustainable Development). He is one of the co-founders and team leaders of the Global Consumption and Income Project. He has been a member of the advisory panel of the UNDP's Human Development Report, the UN Statistics Division's Steering Committee on Poverty Statistics and the advisory board of the UN Special Rapporteur on the Right to Food. He was elected a Fellow of the Human Development and Capabilities Association.
